**ELECTRONIC DATA PROCESSING EQUIPMENT, MEDIA AND EXTRA EXPENSE ENDORSEMENT**

This endorsement modifies coverage provided under this policy as follows:

I. The following is added to Item 1. COVERED PROPERTY of the Declarations:
   - [X] On **Electronic Data Processing Equipment, Media and Extra Expense**

II. The following is added to Section 2. COVERED PROPERTY of the policy:

   **Electronic Data Processing, Equipment, Media and Extra Expense** meaning electronic data processing equipment, active electronic data processing media, and necessary extra expense incurred by the Insured to continue as nearly as practical the normal operation of electronic data processing equipment and media insured under the policy following loss of or damage to said property by Covered Causes of Loss.

III. Section 6. PROPERTY NOT COVERED, paragraph I of the policy is deleted and replaced with the following:

   Electronic data processing equipment including computers, electronic accounting machines, all supporting machinery, magnetic tapes, discs, cards, any storage device and all software including procedures, programs or source material of any kind, except as provided by this endorsement.

IV. Section 6. PROPERTY NOT COVERED, paragraph N of the policy is deleted and replaced with the following:

   The cost to research, replace or restore the information on valuable papers and records, including those that exist on electronic, magnetic, or other media, except as provided by this endorsement.

V. Section 6. PROPERTY NOT COVERED, paragraph A of the policy is amended as follows as respects the coverage offered under this endorsement only:

   Accounts, bills, deeds, evidences of debt, currency, money, notes, securities, stamps, original drawings and specifications, letters of credit, passports, tickets (including lottery tickets), valuable papers or records, accounts receivable, gift certificates, except accounts, bills, evidences of debt, valuable papers or records as they may be converted to data processing media form, and then only in that form, or any data processing media which cannot be replaced with other of like kind and quality.

VI. The coverage offered under this endorsement does not cover loss and/or damage to equipment, data, media or extra expense resulting from a computer virus and/or intentional or attempted sabotage.

VII. Limits of Liability:

   A. Our Limit of Liability for this Electronic Data Processing Equipment, Media and Extra Expense coverage is a sublimit of the Limit of Liability shown in Item 4 of the Declarations. This does not increase the Limit of Liability shown in Item 4 of the Declarations.

   B. The sublimit for this Electronic Data Processing Equipment, Media and Extra Expense coverage is [§ XXX,XXX] per occurrence.
C. In no event shall the liability of the Company exceed this limit or amount in one disaster, casualty, or event, irrespective of the number of items or locations involved. This extension does not increase the remaining amount of the applicable annual aggregate for “earthquake” or “flood” shown in the Declarations or endorsed onto this policy.

VIII. As respects coverage afforded under this endorsement only, Section 35. VALUATION of the policy is deleted and replaced with the following:

A. Equipment

The Company shall not be liable beyond the replacement cost of the property at the time any loss or damage occurs and the loss or damage shall be ascertained or estimated on the basis of the actual retail replacement cost of property similar in kind to that insured.

Property similar in kind shall be deemed to include next-generation data processing equipment should the property have become obsolete at the time of the loss or damage.

If the electronic data processing equipment is leased or rented, coverage shall be for the difference in conditions between the protection afforded by the lessor under the hold harmless provisions of the lease agreement and the coverage provided under this policy.

B. Media

The measure of recovery shall not exceed the actual research and reproduction cost of the property; if not replaced or reproduced, value of blank media.

C. Extra Expense

The measure of recovery shall be the excess of the total cost of conducting operations during the “period of recovery” over and above the total cost of such operations during the same period had no loss occurred, with due consideration for the salvage value of property obtained for temporary use during such period.

The “period of recovery” is defined as the length of time as would be required with the exercise of due diligence and dispatch to rebuild, repair, or replace that part of the property which has been damaged or destroyed commencing with the date of such damage or destruction, but not limited by the expiration date of the policy.

All other terms and conditions of this policy remain unchanged.
